CR123 Rechargeable Battery System

PLEASE READ THE INFORMATION AND FOLLOW ALL INSTRUCTIONS THOROUGHLY BEFORE USING THIS PRODUCT.

Instructions

1. Choose either the AC adapter or the DC car cord adapter and plug it in accordingly. Plug the connector at the end of the adapter cable into the Input Jack on the end of the charger base unit.
2. Insert the DLCR123 battery to be charged into the charger as shown below.

Note: Do not attempt to charge standard CR123 batteries as they are not rechargeable. This charger is not compatible with ALL rechargeable CR123 type Li-Ion batteries. For best results, use only with Lenmar DLCR123 batteries.

3. The red CHARGE LED will come on while the battery is charging. Once charge has completed the green READY LED will turn on. Once the battery is fully charged, promptly remove the battery from the charger by pressing the release button and sliding the battery out.
Typical Charge Time: Approx. 2 - 3 hours.

Note: Do not leave the battery in the charger for prolonged periods after the battery is fully recharged. Do not store the battery in the charger when it is disconnected from the power adapter.

Caution & Warning:

- Do not expose the product to fire, rain or moisture.
- Do not use AC or DC power adapter other than those supplied with this unit.
- Li-Ion battery, recycle properly.
- Recharge DLCR123 battery with proper compatible charger unit ONLY. Improper charging will void warranty and can result in damage to the charger or battery and can cause battery to explode causing damage to property or personal injury.

Limited 2 Year Warranty

This limited warranty starts from the date of original purchase and expires three years thereafter. If, during this period, any part, because of manufacturing defects or workmanship, fails to function properly under normal use it will be repaired at no charge for parts and labor or, at our option, the product will be replaced. The following is excluded: damages from delay or loss of use of equipment or damaged batteries, malfunctions resulting from misuse, tampering, unauthorized repairs, modifications or accident.

Package the unit and its accessories carefully using ample padding material to prevent damage in transit and ship it prepaid and insured to:
